Total (per year)	\$47.40	\$0.00	\$59.40

Recommendation

Based on the comparison chart above and client financial considerations, it is agreed to host the Provision Esthetics website with **OPTION 2 - Ray Louis**. In exchange for permanent copyright and permanent permission to include copies of all product documents, site pages, and database on his portfolio website RaysDemo.com, the client site will be hosted at no cost to the user (aside from Domain Name registration) for one year or until such time the terms are renegotiated by either party.
